

A PAPER-PROTOTYPE DEMO KIT

BROKEN GRIMOIRE

You are a wizard who fell into a dungeon and woke up to find your grimoire torn into fragments.
Escape the dungeon, and find out who tore it apart.

WHAT'S IN THIS KIT

Pages 2–4	How to Play, Crafting & Spells, Quick Reference + HP/Mana trackers
Pages 5–6	11 spell-fragment cards — your starting deck
Page 7	Loot — 6 fragment cards enemies drop, plus the heal potion
Page 8	8 enemy reference cards — stats, actions, attack patterns, drops
Page 9	Token sheet — player/enemy tokens, HP & mana pips, Burn/Root/Stun markers
Page 10	Shape templates — cut-out overlays for Beam, Cross, and their doubled forms
Pages 11–13	3 room boards — The Cistern, The Scriptorium, The Redactor

GATHER BEFORE YOU PLAY

- Scissors (to cut out the fragment, loot and enemy cards, the token sheet, and the shape templates)
- The token sheet (page 9) — player, enemy, HP/Mana and status tokens (coins or dice work too if you'd rather not cut)
- One person to run the monsters (“the GM”) — can rotate every room

How to Play

OBJECTIVE

Clear all 3 rooms. Reach the exit of the final room to win the demo.

SETUP

Place Room 1 (The Cistern) on the table. Put the player token on its marked start tile and set HP to 20 and mana to 3 on the trackers (p.4). Shuffle the 11 fragment cards into a deck and draw a hand of 5. Place enemy tokens on their marked tiles, using the enemy reference cards for their stats. Set the loot cards and heal potion (p.7) aside.

ROUND STRUCTURE

Each round has a player turn, then one enemy phase. Repeat until the room ends. At the start of your turn, draw back up to 5 cards — unplayed cards stay in your hand. When the deck runs out, shuffle the discard pile into a new deck.

1. Player turn — up to 3 actions, in any order:

- **Move** — 1 tile up, down, left or right (no diagonals).
- **Cast** — 1 action + the combo's mana cost. Combining 2–3 fragments from your hand *is* the cast: it resolves immediately (see Crafting & Spells).
- **Meditate** — 1 action, +3 mana. Doesn't end your turn early — you can meditate twice and still cast something with your third action.
- **Drink potion** — 1 action, +5 HP (max 20), if you're carrying one.

2. Enemy phase:

Enemies play by the same action rules as you. In number order, each enemy spends its ACTIONS one at a time: an action is either a 1-tile move (no diagonals) or an attack on a target inside its attack pattern — at most one attack per turn. Default behaviour: take the shortest path toward you until you're in range, then attack. If two enemies would tie on a path, the one in the lower-numbered row goes first.

BURN

A burning unit takes 1 HP damage right before each action it takes (move, attack, cast, or meditate). Burn wears off after 3 ticks, or after a full round in which the unit takes no action at all. Standing still never burns.

WINNING & LEAVING A ROOM

Every enemy you kill drops the card listed on its reference card — take it from the loot pile (p.7) and add it to your discard pile. The Warden drops the heal potion. Some rooms have an exit that's open the whole time: you may walk onto it and move to the next room whenever you choose, even with enemies still alive, but you forfeit their fragments. Other rooms lock the exit behind a crowned enemy — kill it to unlock. Your HP carries over into the next room; your mana resets to 3.

Crafting & Spells

HOW TO CRAFT

Take 2–3 fragment cards from your hand and combine them — this is your Cast action (1 action + mana). The combo resolves immediately — pick a target tile and it casts right away (skip this for a self-centered shape like Cross or Unstable Fire); there's no such thing as an assembled spell waiting in your hand. The fragments you used go to the discard pile. You refill to 5 at the start of your next turn. Order never matters: Fire + Beam and Beam + Fire are the same card. When the deck runs out, shuffle the discard pile into a new deck.

COST

Cost = number of fragments used, +1 for every *doubled* element or shape (using two Fire cards, or two Beam cards, in the same combo). A normal 2-fragment combo costs 2 mana; a doubled 3-fragment combo costs 4.

REROLL

Spend 1 action to discard your whole hand and draw 5 fresh.

UNSTABLE FIRE (Fire + Fire + Fire)

Stacking three Fire cards together — with no shape card — triggers a special result instead of the normal stacking bonus: a 3×3 burst centered on *you*, dealing 6–7 damage to everything in it. You take 3 stacks of Burn as the cost, and it costs 5 of your 6 mana. Usable once per fight.

WHAT CAN BE COMBINED

Every combo needs exactly one element and one shape, and either can be doubled (Fire + Fire + Beam, Water + Cross + Cross). No mixing for now: Fire + Water + Beam or Rock + Beam + Cross can't be cast, and neither can elements with no shape. The one exception is Unstable Fire (Fire + Fire + Fire, above).

Quick Reference

COST FORMULA

Fragments used, +1 per doubled element or shape. Minimum cast is 2 fragments.

STATUS EFFECTS

-  **BURN (Fire)** — 1 HP dmg before each action the target takes, for 3 ticks or until it skips a full round without acting.
-  **ROOT (Water)** — Target can't move on its next action (it can still attack if already in range).
-  **STUN (Rock)** — Target can't attack on its next action (it can still move).

APPEARANCE SHAPES

-  **BEAM** — Line, 2 tiles ahead of the caster. Doubled: 4 tiles.
-  **CROSS** — The 4 tiles adjacent to you, not your own tile. Doubled: reaches 2 tiles out each way (8 tiles).

ROOM ICONS ON THE BOARDS

-  **YOU** — Player start tile
-  **EXIT** — Open exit — walk on to advance, forfeiting any live enemies' fragments
EXIT (locked) — Exit is sealed until the crowned enemy in the room dies
-  **PIL** — Pillar — blocks line of sight for ranged attacks
-  **circle + number** — An enemy — match the number to its reference card

TRACK YOUR WIZARD

HP (start at 20 — carries over between rooms)

Cross off boxes left → right as you take damage.

5 10 15 20

MANA (cap 6 — refills to 3 at the start of each room)

Fill boxes left → right; empty them to pay for spells.

--	--	--	--	--	--

5

Spell Fragments (1 of 2)

Pattern key (Beam, Cross): solid = base cast, hatched = doubled-only reach, marked square = you.

ELEMENT

FIRE

2 DMG. Burn: 1 dmg before each action the target takes after, for 3 ticks.

Doubled: +2 dmg. Three Fires: Unstable Fire (see p.3).

×3 IN DECK

ELEMENT

FIRE

2 DMG. Burn: 1 dmg before each action the target takes after, for 3 ticks.

Doubled: +2 dmg. Three Fires: Unstable Fire (see p.3).

×3 IN DECK

ELEMENT

FIRE

2 DMG. Burn: 1 dmg before each action the target takes after, for 3 ticks.

Doubled: +2 dmg. Three Fires: Unstable Fire (see p.3).

×3 IN DECK

ELEMENT

WATER

2 DMG. Root: target can't move on its next action (it can still attack if already in range).

Doubled: +2 dmg.

×2 IN DECK

ELEMENT

WATER

2 DMG. Root: target can't move on its next action (it can still attack if already in range).

Doubled: +2 dmg.

×2 IN DECK

ELEMENT

ROCK

2 DMG. Stun: target can't attack on its next action (it can still move).

Doubled: +2 dmg.

×2 IN DECK

Spell Fragments (2 of 2)

Pattern key (Beam, Cross): solid = base cast, hatched = doubled-only reach, marked square = you.

ELEMENT ROCK

2 DMG. Stun: target can't attack on its next action (it can still move).

Doubled: +2 dmg.

×2 IN DECK

APPEARANCE BEAM

Shape: a line, 2 tiles ahead of the caster.

Doubled: 4-tile line.

×2 IN DECK

APPEARANCE BEAM

Shape: a line, 2 tiles ahead of the caster.

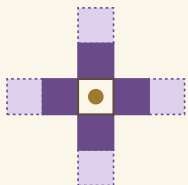

Doubled: 4-tile line.

×2 IN DECK

APPEARANCE CROSS

Shape: the 4 tiles around you, not your own tile.

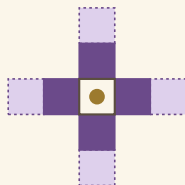

Doubled: reaches 2 tiles out each way (8 tiles).

×2 IN DECK

APPEARANCE CROSS

Shape: the 4 tiles around you, not your own tile.

Doubled: reaches 2 tiles out each way (8 tiles).

×2 IN DECK

Loot — Enemy Drops

Keep these out of the starting deck. When you kill an enemy, take the card its reference card lists and add it to your discard pile. Skip an enemy and its drop is lost.

ELEMENT
ROCK

2 DMG. Stun: target can't attack on its next action (it can still move).

Doubled: +2 dmg.

LOOT · BRUTE DROP

ELEMENT
ROCK

2 DMG. Stun: target can't attack on its next action (it can still move).

Doubled: +2 dmg.

LOOT · BRUTE DROP

ELEMENT
FIRE

2 DMG. Burn: 1 dmg before each action the target takes after, for 3 ticks.

Doubled: +2 dmg. Three Fires: Unstable Fire (see p.3).

LOOT · RAT DROP

APPEARANCE
BEAM

Shape: a line, 2 tiles ahead of the caster.

Doubled: 4-tile line.

LOOT · ARCHER DROP

APPEARANCE
BEAM

Shape: a line, 2 tiles ahead of the caster.

Doubled: 4-tile line.

LOOT · ARCHER DROP

ELEMENT
WATER

2 DMG. Root: target can't move on its next action (it can still attack if already in range).

Doubled: +2 dmg.

LOOT · LEECH DROP

ITEM
HEAL POTION

Drink: 1 action, +5 HP (max 20).
Keep it until you need it — it carries into later rooms, including the boss room.

LOOT · WARDEN DROP

Enemy Reference Cards

Icon key: marked square = the enemy. Solid = the tile its attack hits; faded = other directions it could pick instead (one target only). The Redactor's sweep hits all 8 solid tiles at once. Movement is up/down/left/right only.

1. RAT

HP 2 ACTIONS 3

ATTACK 1 dmg to one adjacent tile.

Moves in packs — punishes single-target spells.

DROPS Fire fragment

2. ARCHER

HP 3 ACTIONS 2

ATTACK 2 dmg, range 4, in a straight or diagonal line. Blocked by pillars.

If you're adjacent when its turn starts, it spends both actions backing off 2 tiles.

DROPS Beam fragment

3. BRUTE

HP 6 ACTIONS 2

ATTACK 3 dmg to one adjacent tile.

Slow but tough — a tempo check, not a puzzle.

DROPS Rock fragment

4. LEECH

HP 4 ACTIONS 2

ATTACK Drains 1 mana (not HP) from one adjacent tile.

Pressures your meditation, not your HP.

DROPS Water fragment

5. WARDEN

HP 8 ACTIONS 2

ATTACK 2 dmg to one adjacent tile.

Crowned — holds the room key. Every other turn, spends 1 action telegraphing a 5-dmg line that fires the following round.

DROPS Heal potion (+ unlocks the exit)

6. PAGE WARD

×3, boss room

HP 4 ACTIONS 0

ATTACK None — does not attack.

Immune to any spell that doesn't contain its attuned element (Fire / Water / Rock). Spawns 1 Page Scrap at the end of each round.

DROPS Nothing

7. PAGE SCRAP

boss room

HP 1 ACTIONS 3

ATTACK Touch (1 action): steals a fragment from your hand.

Flees with its remaining actions. Spawned by Page Wards — punishes not clearing them with an AoE.

DROPS The fragment it stole

8. THE REDACTOR

BOSS

HP 18 ACTIONS 2 → 3

ATTACK 3 dmg to all 8 tiles around it.

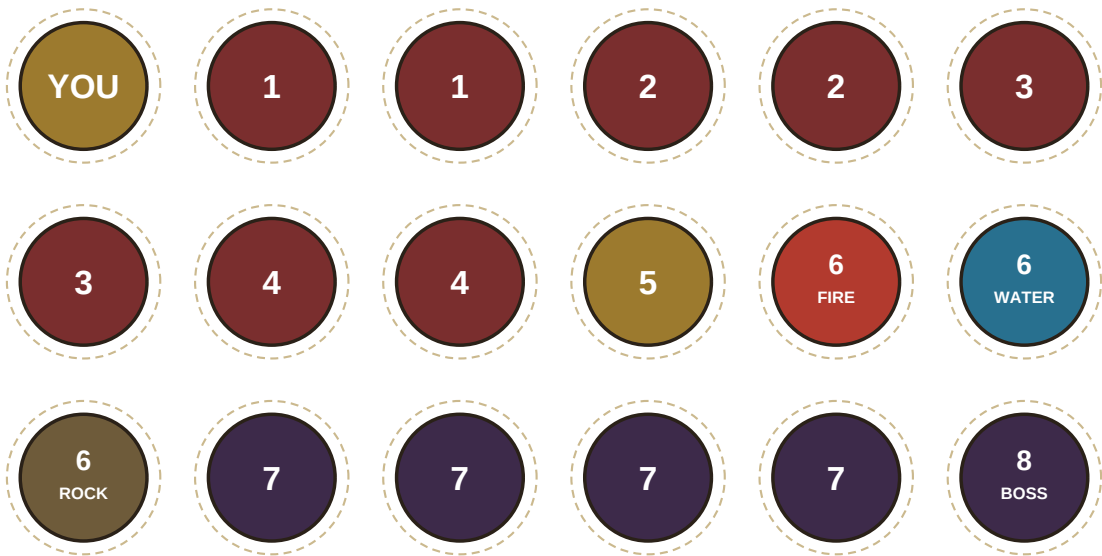

Immune while any Page Ward stands. End of each round: shreds one fragment from your hand into the discard pile. Once all Wards fall: 3 actions, and it spends 1 marking 'Erasure' — a row/column that takes 6 dmg at the end of the following round.

DROPS Nothing — beat it to win

Player & Enemy Tokens

Cut along the dashed circles. Numbers match the Enemy Reference Cards (p.8); colors match the room boards. No scissors handy? Coins, dice, or scraps of paper marked with the same numbers work just as well.

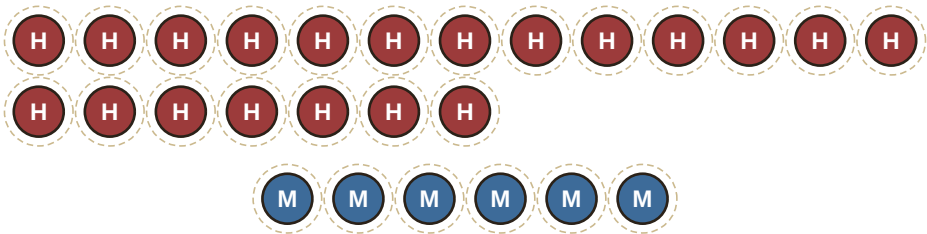

WHAT'S ON THE SHEET

- YOU x1 — Player
- 2 x2 — Archer
- 4 x2 — Leech
- 6-FIRE / 6-WATER / 6-ROCK x1 each — Page Ward (Boss room)
- 8-BOSS x1 — The Redactor
- 1 x2 — Rat
- 3 x2 — Brute
- 5 x1 — Warden — crowned (Room 2)
- 7 x4 — Page Scrap — Wards spawn these; keep spares handy

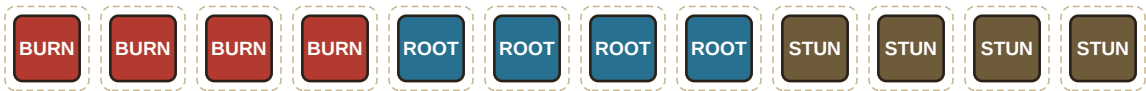

HP & MANA TOKENS

Optional stand-ins for the HP/Mana checkbox tracks (Quick Reference, p.4) — place one per box lost or spent instead of crossing it off, remove it if you heal or regain the resource. HP x20, Mana x6.

STATUS TOKENS

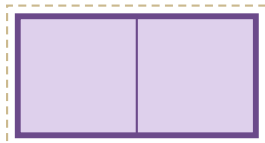

Drop one on a unit's token to mark Burn, Root, or Stun (see Quick Reference, p.4). Remove it once the effect ends.

Shape Templates

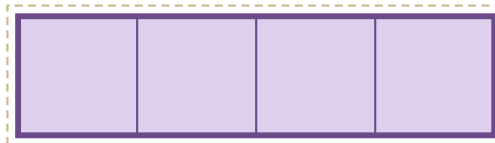

Cut along the outer edge of each shaded shape. Lay a template on the board when you cast a shaped spell to see exactly which tiles it hits, resolve the effect, then lift it off. Sized to the 0.62" grid in Rooms 1–2; Room 3's grid is smaller (0.55", to fit its 8×8 size on the page) so templates overhang a little there — count tiles by hand if it matters.

BEAM

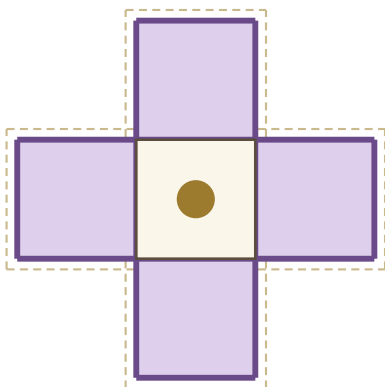

Base — 2 tiles. Place the near edge at your tile; it points the way you cast.

BEAM (DOUBLED)

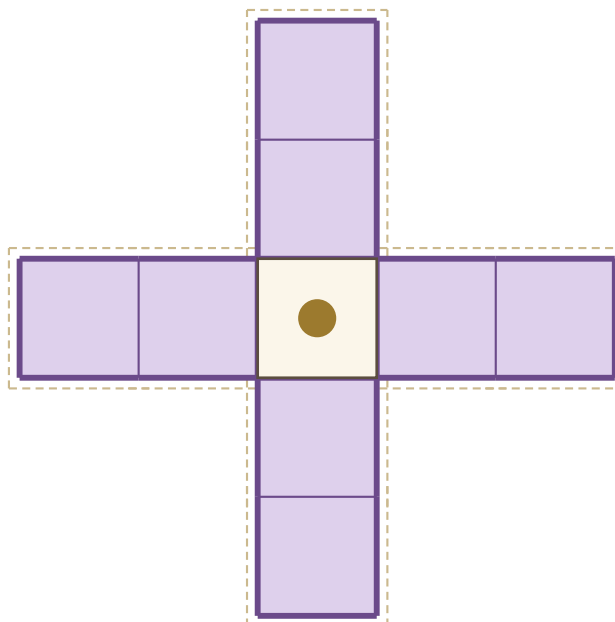

Two Beam cards — 4 tiles, same direction.

CROSS

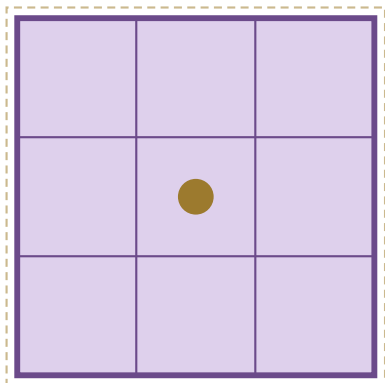

Base — the 4 tiles around you. The marked square is you; it isn't hit.

CROSS (DOUBLED)

Two Cross cards — reaches 2 tiles out each way.

UNSTABLE FIRE

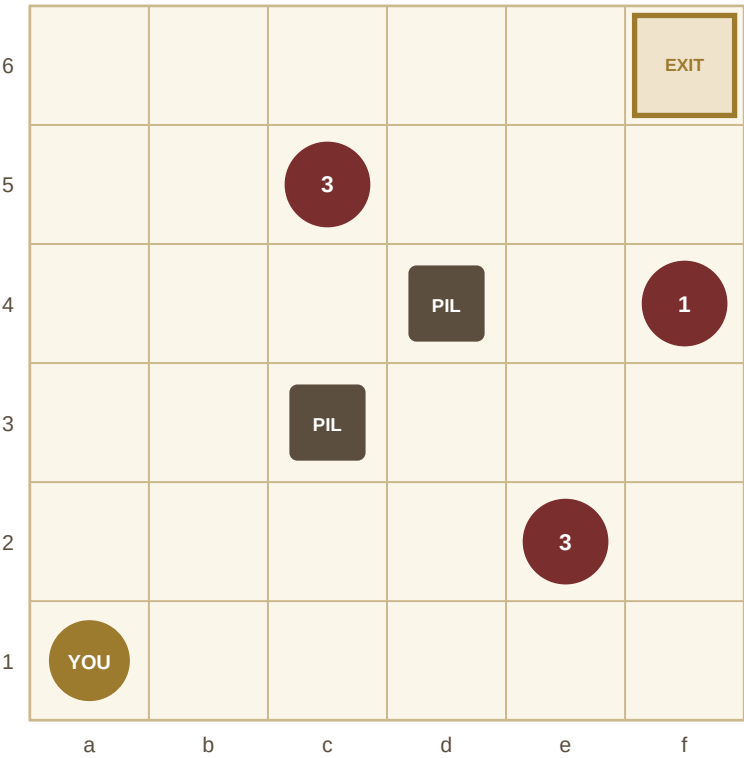

3×3, centered on the gold dot — that's you.

Fire + Fire + Fire, once per fight (p.3) — gets its own template since it's a full 3×3 block, not a +, and it only ever centers on yourself.

Tip: if a template hangs off the edge of the board, the tiles that fall off the grid simply aren't hit.

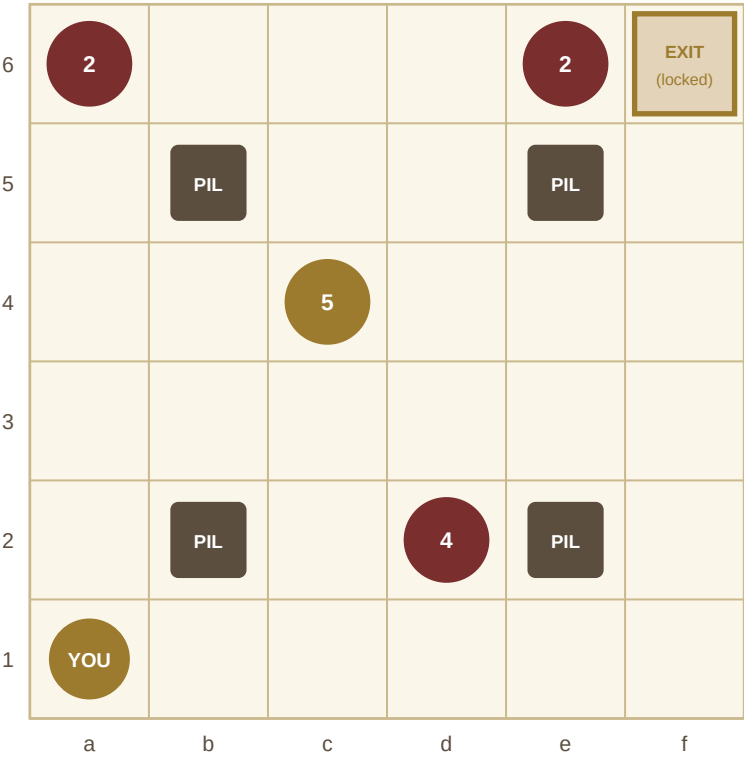

The Cistern

Teaching room. The exit is open the whole time — you may leave as soon as you want, but every enemy you skip is a fragment you don't get. Target: clear it in 3–4 of your turns.

The Scriptorium

The exit is locked until the crowned Warden dies.

The Redactor

Defeat the boss to finish the demo. While any Page Ward stands, the boss takes no damage — each Ward only takes damage from its own attuned element. Wards spawn Page Scraps every round.
